

# General Purpose Rating Course

Give your career the SNMA advantage

## Career Opportunities

Grab the opportunity to give yourself a rewarding career. Combined with invaluable hands on experience and quality training, SNMA's General Purpose Rating Course (GP Rating) will provide you a sea of opportunities. Join now! A versatile career awaits you.

## General Purpose Rating Course

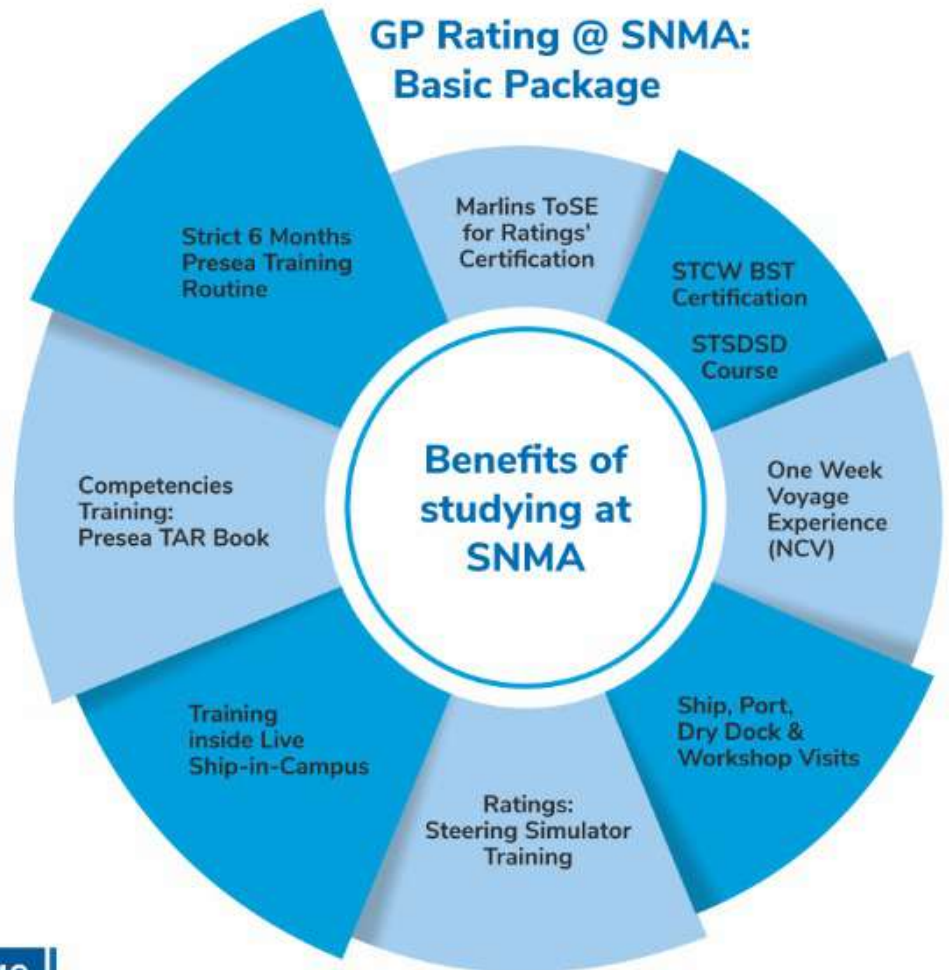

General Purpose Rating Course (GP Rating) enables prospective candidates with eligibility to become Merchant Navy Cadets and further offers general employment as Ratings onboard sailing vessels. Successful cadets have option to pursue profession either on Engine Side or Deck Side as per their ability / willingness.

Additionally, GP Rating Course at SNMA is a specialised one and helps pursue jobs as Fitters / Welders on Offshore Platforms / Dry Docks also globally.

## GP Rating @ SNMA: Basic Package

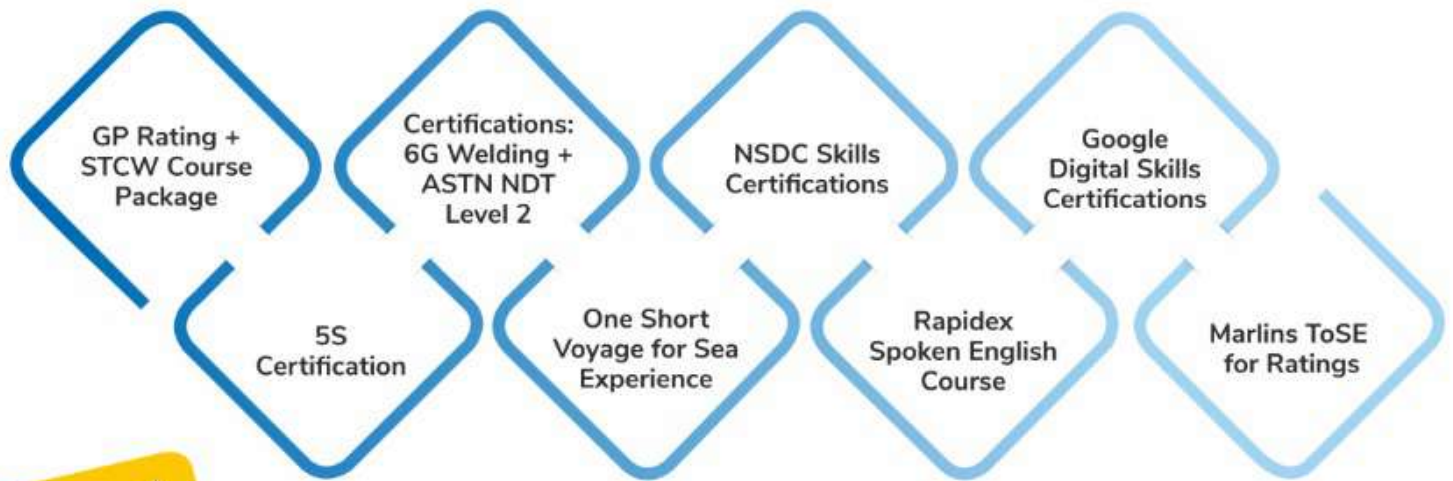

### Get the SNMA Advantage

Don't miss out on this employment edge during recruitment consideration with additional Corporate Certifications from Industry. Always be in demand with multiple options to remain employed, either on Merchant Ships, Cruise Vessels, Offshore Supply Vessels and on Offshore Platforms. Moving ashore, still, you will get plenty of opportunities in maintaining pipelines of oil fields abroad, only if you complete Qualifications package from Sri Nandhanam Maritime Academy. Shore opportunities include employment at Dry Docks and Ship Building Yards (only for GP Rating Cadets from SNMA). With only 30% applicants having a chance to train for GP Rating at SNMA, it is no wonder that our alumni are well placed in multinational shipping corporations.
